WELCOME TO RYLEE J. PHOTOGRAPHY

# **I Can't Wait to Document Your BEST Memories.**

---

**Hi!**

**I'm Ryfee.**

I'm a photographer with a love for telling stories through the lens of my camera, and an uncanny knack for getting fussy toddlers and husbands to smile! I believe no moment is too small to celebrate, whether it's your high school graduation, your newborn baby, or just a plain old Tuesday with your lover.

I take a connection-centered approach to my work: I don't just want to photograph you once and say goodbye,

**I want to be your lifetime  
photographer – capturing each  
special season as you change and  
grow. Let's be friends for life!**

**This guide is designed  
to give you an  
overview of my session  
types and packages  
and walk you through  
each step of my  
process, from initial  
booking to final image  
delivery. If you have  
any additional  
questions regarding  
the information in this  
guide, please don't  
hesitate to reach out  
via email.**

---

## THE PROCESS

**Here's What You Can Expect Each  
Step of the Way:**

---

## 01. Book Your Session

Select the session type and package that's right for you, then I'll reach out via email with more information and an invoice to secure your date on my calendar.

## 02. Get Prepped

I'll act as a trusted resource and support in the weeks and months leading up to your session, answering questions and providing guidance on things like outfits, props, etc.

## 03. The Fun Part

Your session is here! Take a deep breath and get ready to have some fun (no really, it'll be a blast). I say good riddance to awkward poses and contrived gimmicks - I'll help you feel comfortable and at ease in front of my camera, so your photos reflect your true personalities.

## 04. Ooh and Aah Over Your Images

Your images will be delivered via digital gallery 4 business weeks later. Print them out, put them on the fridge, or make a photo book to adorn your coffee table!
